

MEDICATION GUIDE

Available Medications through GEM Edwards Pharmacy

WHY USE GEM EDWARDS PHARMACY?

Use GEM Edwards Pharmacy's services to:

Find replacements for discontinued/short supply medications.

Make it easier to administer multiple medications.

Compounded medications enable you to prescribe the correct strength and dosage specific to each animal.

Flavored medications that are similar to those in the animals' everyday diet, making them easier to administer

ABOUT US

We are a custom compounding pharmacy dedicated to working with veterinarians and animal care specialists. For more than 25 years, GEM Edwards Pharmacy has been offering:

- High quality, affordable medications
- On-time delivery so you never run out
- Custom medications for your patients' specific needs

AVIAN • DOMESTIC • EQUINE • EXOTIC • ZOOLOGICAL

Ordering and reordering prescriptions is easy.

Call Us: 1-866-552-5522

Fax to: 330-342-8400

Mail to: 5640 Hudson Industrial Parkway, Hudson, OH 44236

Orders will ship by standard ground services once we have all necessary information on file. Expedited services are available.

Your prescription delivery options:

1. Receive medications at your office*
2. Drop ship directly to your patient's home.

* All paperwork must be on file

Drop ship process:

When choosing our drop ship option, GEM Edwards Pharmacy will ship medications directly to your patient's home at no additional charge.

When choosing this option, we will:

- ✓ Obtain all necessary paperwork
- ✓ Call owner with medication cost and obtain payment
- ✓ Ship order

If there are prescription refills, the owner can contact us directly by email, phone or our website to place their refill order.

“

“Lebanon Equine Clinic has been using GEM Edwards Pharmacy for our compounding needs since 2016. We are very happy with their outstanding customer service and quality products. GEM is my go-to pharmacy for everyday items as well as special orders. Their staff is friendly and efficient and you can't beat their fast, free shipping. I highly recommend GEM Edwards Pharmacy!”
